

GNOME ADVENTURE

Five merry gnomes came to the Faire,
To see Queen Bess and wander there.

They wandered off and lost their track,
Now help us learn where they are at!

Follow the clues and find each one,
Taking a photo is part of the fun.

Then visit the Info Booth today,
To claim your token and be on your way!

Poppy Sugarroot met the Fairy Smasher, giant and bright,
Find the giant net and **colossal cauldron** in sight.

Grindle Mosscap seeks a **shield to paint** just right,
Find the wall of **wood swords and shields** standing in sight.

Thistle Brambleburr found plants with **mouths** that close,
Look for the **buggy** booth where **hungry greenery** grows.

Bruin Featherstone loves stories both old and new,
Find the **wooden bookshop** with tales waiting for you.

Flicker Nightshade hopes their **axe** will hit just right,
Look by the dragon swing and wooden targets in **sight..**

Rules:

Follow the clues to find each of the five Gnomes. Have Mom, Dad or Guardian snap a picture of you and the found Gnome with their magical communication box (phone).

Post to the Book of Faces (or other Social Media sites) and hashtag your adventure portraits with #WMRF.

Don't forget to stop for a special prize at the **INFORMATION Booth** when you have found them!

Parents are **REQUIRED** to follow along and monitor their child. Any child found alone will be fed to the Trolls!
